

Kansas City Barbeque Society Representatives

Linda and Dennis Polson

Linda and Dennis received their Rep Certification in 2006 and began working as KCBS contest reps in the 2007 season. The 2008 season will have them traveling near and far administering barbeque contests. The Polsons were key people in getting what is known today as the *WildBlue Barbeque* off and running. They have organized, assisted and now are reps for this contest. We welcome Linda and Dennis back to Burlington in 2008.

Al T. Bowen

Al Bowen is our KCBS rep alternate. Al, and his wife Fran, have always been good friends of the *WildBlue Barbeque* contest. Al has been the KCBS rep here in Burlington since sanctioning began in year #2. If we attain a fifty team roster we look forward to having Al with us in 2008.

John Bennett and John Grimes

We have been very fortunate to have had great reps in our short history that not only included Al Bowen, but also a great gentleman in John Bennett, in 2007, and in 2006, John Grimes.

All of our reps, past and present
have done their part to add integrity to our contest
and have represented the KCBS well.
